The Port of Digby is NOT a government facility or operation. The DHPA is a Not For Profit with the benefits and difficulties that structure entails.

Construction Work at the Port of Digby

Infill between Breakwater and Spur Wharf Approach is complete.

The electrical for the End Ell Floats is expected to be complete by end of March.

DHPA expects to soon tender further repairs to concrete piles under the 1967 Spur Wharf.

HINTS:

- **You MAY avoid vehicle tow charges** by clearly posting your phone number in your vehicle window (Driver's side). Parking on the wharf can cause frustration.
